Uniting Shirley Road Preschool Crows Nest

Uniting

Uniting Shirley Road Preschool has a long history of nurturing confident and creative learners and is a much-loved part of the local community. Conveniently close to Crows Nest shopping precinct, our leafy setting offers stimulating indoor and outdoor environments for children to explore.

Our qualified and experienced educators provide a quality and inclusive preschool program for up to 25 children aged from three to five years during school terms. Our small group sizes allow us to take a personalised and caring approach. We view your child as an individual, celebrating his or her unique strengths, interests and personality.

Pathway to the future

Children engage in a range of experiences and learning opportunities that encourage them to investigate, imagine and enquire.

We support children to develop the communication and social skills they need to form relationships with others. Our programs help children develop literacy, numeracy and creative expression as they learn about the natural world around them, science and technology.

As children get ready to transition to school, they are supported to develop learning skills they will use in formal education.

The National Quality Standard ratings promote transparency and accountability and help parents assess the quality of individual education and care services. Uniting Shirley Road Preschool has achieved the 'Exceeding National Quality Standard' rating.

Working together

Family participation is encouraged and we value your input and feedback. To ensure valuable and effective communication, we provide:

- Regular updates on your child's learning and development
- Newsletters with the latest news from the service
- Advisory Council meetings.

Uniting

At Uniting, we believe in taking real steps to make the world a better place. We work to inspire people, enliven communities and confront injustice.

Our not-for-profit services are in the areas of aged care and disability, community services, and chaplaincy and we get involved in social justice and advocacy issues that impact the people we serve. As an organisation we celebrate diversity and welcome all people regardless of lifestyle choices, ethnicity, faith, sexual orientation or gender identity.

We are a community services ministry of the Uniting Church.

Our inclusive and affordable education and care services reach more than 6500 children each year. With more than 50 locations, we are the third largest provider of early learning, preschool and outside school hours care services in NSW and ACT.

New enrolments

We welcome new children throughout the year as positions become available.

We are committed to ensuring that early education is accessible to more families, particularly those with children starting school in the coming year.
